This permit is required in addition to the daily visitor use permit and any required license and may be purchased wherever licenses are sold.

BAG LIMITS: Same as statewide bag limits.

PERMIT STATIONS: All visitors must obtain a DAILY VISITOR USE PERMIT card from a self-service permit station. Parts A and B of this permit must be legibly filled out before using the WMA. Part A of the permit must be deposited in the return box at a permit station before using the WMA. Part B must be kept with the visitor while on the WMA. Permits are invalid if not properly dated or if date has been changed. Before leaving the WMA, visitors must complete the reverse side of Part B of the permit by recording the number of animals harvested and deposit it in the return box at a permit station. It is the responsibility of the Area Manager and other Agency personnel to have permit cards completed.

DEER DATA COLLECTION: All deer harvested must be checked at the self-service data collection station (see map) by the hunter who harvested them before leaving the WMA. If WMA personnel are not available to check the deer, the hunter is responsible for collecting and legibly recording ALL biological data. Instructions and equipment will be provided.

LEGAL BUCKS: Legal bucks are those with an inside spread of at least 10 inches OR one main beam length of at least 13 inches. For hunters 15 years of age or younger, any antlered buck is a legal buck, except during gun seasons with dogs, when a legal buck is a buck with an inside spread of at least 10 inches OR one main beam length of at least 13 inches.

WILD HOGS: Wild hogs are classified as nuisance animals and hunters are encouraged to kill them at every lawful opportunity. The opportunity to kill hogs on WMAs is provided only for population control purposes and not for sport. Wild hogs may be killed during daylight hours only during any open WMA hunting season with weapons and ammunition legal for that season. Trapping (including snaring) of hogs is prohibited. Moving or transporting live hogs is prohibited.

DOG RESTRICTIONS: Deer hunting with dogs is allowed EXCEPT in the Deer Hunting Without Dogs Area (see map). Small game hunting with dogs is allowed during any small game season. Hunting, running, or pursuing hogs with the use of dogs is prohibited.

A WMA Camping Permit is required for any individual or group (maximum of 6 people) that is camping on this WMA and may be purchased wherever licenses are sold. Camping is limited to 14 consecutive days. All campsites must be maintained in a neat and orderly manner. Camping equipment may not be left unattended for more than 24 hours. All camping equipment and garbage must be removed before final departure.
